
Trouble getting a consumer problem resolved ?

Posted by Lou - 2007/09/26 04:36

One of the most frustrating things that can happen when you make a purchase or order something from a business, is trying to get help to resolve any problems that may arise with the purchase. Today, most companies want you to use email or some other method, but I like to talk to a real person to try to get help. You can too, use the link below to find how to get access to a real person at a lot of major companies !
